Post expletis rite funebribus exequiis accipit (Taromir) Bracislaum fratruclum et ducit eum ad sedem principalem: et sicut semper in electione ducis faciunt, per superioris aulae cancellos decem milia nummorum aut plus per populum spargunt, ne ducem in solio comprimant, sed potius spargos nummos rapiant. Tunc ducem locato in solio et facto silentio, tenens dextram sui fratruclis, Taromir dixit ad populum: Ecce dux vester! At illi succlamantur: Kirlessu, quod est Kirielejzon! Et iterum Taromir ad populum: Accedant, inquit, de gente Thunicia, accedant de gente Sepca, et vocat eos nominatim, quos vocat armis potentiores, fide meliores, militia fortiores et divitiis eminentiores. Quos, ut simul adesse, dixit: Quoniam me mea fata non sinunt, ut sim vester dux, hunc assignamus vobis in ducem et collaudamus, quod ei obediatis, ut dignum est duci et debitam fidelitatem exhibeatis, ut par est suo principi. Te autem fili moneo et repetens iterum iterumque monebo, istos colas, ut patres, hos diligas, ut fratres, et in omnibus negotiis tibi consiliarios habeas. His verbes et populum ad regendum committas, per hos enim Boemiae regnum stat et debet atque stabit in sempiternum. At illos, qui sunt Wrissowici, iniquorum patrum ne

Tamque mense Septembri, dum moratur Lualopluk dux cum rege in Panonia iuxta civitatem Potten, Borivoy cum Polonis hostiliter intrat Boemiam, Wackone et Chutina in fugam veris cum suis presidis de munitione, quae fuit firmiter posita versus terminos Poloniae; nam dux Lualopluk abiens, duobus his omnem curam suam comiserat, et ut essent in tutelam Boemiae cunctis eos praefecerat. Cumque Wacko socium Chutinam vidisset non acriter fugare, nec viriliter hostibus resistere super munitionem, ex hac occasione ratus, quod consilio eius Borivoy Boemiam intraret, mox unum ex militibus clam misit, qui haec omnia duci Lualopluk intimaret. Similiter alium militem instruxit dolis et misit in castra Borivoy ducis, qui paratus in utroque.

Et venare dolos simul sub succumbere morti, veniens ad praedictum ducem Borivoy, finxit se fugisse de castris Lualopluk ducis et nuntiat iam de Hungaria eum redisse, atque in crastinum cum eis fugaturum confirmat per suae fidei sacramentum. His mendaciis illi perterriti eadem nocte in Poloniam sunt reversi. Quibus nuntius rex Henricus fertur dixisse compatri Lualopluk: Nisi tuas iniurias in Polonis ulciscar, proiecta vitior alga semper habear. Interea Lualopluk inflammatus ira, absens in absentem Chutinam dentibus stridet, oculis scintillat et alte suspirat. Vix diem

expectat, quo in illum suam effundat iram; pro nichilo respicit, si unum Christinam puniat, iam diis promissis cum iuramento se obligat, quod illam totam generationem ut lucernam gladio extinguat, et quos quosdam ex illis in obsequio suo proae oculis habet, corde dolet, vultu autem ad omnes se ludorem exhibet. Cui post adventum sub ipso exitu silvae iuxta oppidum Lutoniam, Wacem cum Chutina occisunt. Nuntiatumque est illa die ter ab amicis suis Chutinae, quod nisi aufugeret, procul dubio aut vitam aut oculos amitteret. Sed quia iam eum premebant sua fata, visa sunt sibi verba amicorum suorum quasi deliramenta. Neque est, inquit, vis fortis, fatum qui timet mortis.

Ut autem intraverunt castrum Wratiblan, postera luce summo mane convocat omnes proceres in coelum; qui his congregatis in unum, sicut leo de sua emissus caeca, in theatrum stat rugiens et erectis iubis expectat edulium, sic Liatoplus intrans stabulam, sedit in medio super brum, cum fornacis, plus succensus ira, quam fornax, qui septies succenditur flamma, et circumspectis omnibus, intus ens horis oculis Christinam, taliter indignantia solvit ora: « O gens invisae proptereaque Divis odiosa! o nequam filium Voisovici, nostri generis familiares inimici! An unquam mihi excidet de memoria, quod super abavum meum Taromio in monte Velix vobis quidem ludicra, nobis autem fecistis semper eterna ludibria? An inmemor ero, quod fratrem meum Bra-
cislavum quasi eximium sidus in toto orbe ducum, tu et frat-
ter tuus Bosey fraude maligna necastis? Quid autem me

cipit incautus gladium capitolensis per medium alvum? Nec
 mora et adhuc nati sanguine madentem inquitto pater excipit
 eusem. At illi invasores, velut urbiū expugnatores immensas
 diripiunt gazas, et, sicut ait Cato: habitus exiguo, quod
 partum est tempore longo; namque de Lentis divitiis nec u-
 nis superfluit pannis, quo eorum tegetur corpus. Sed sine
 sarcophago et obsequio funebri Bosey et filius eius Boruthi
 velut innumera sunt mudi in fossam praecipitati VI. Kal.
 Novembris. Scire mihi non licuit, quot capita ex gente illa
 lebo sunt dedita, quia nec in una die nec uno in loco
 sunt perempti. Alii namque in forum ducti cum bruta ani-
 malia sunt mactati, alii in monte Petrin decollati, mul-
 ti in lectis sive in plateis sunt trucidati. Quid autem re-
 feram de morte natorum Mulinæ, quorum mors visa est
 omni crudelior morte? Erant enim bonae indolis pueruli,
 nulli spectabiles, visu amabiles, quales nec sagax arti-
 fex in albo chore nec pictor in pariete valet exprimere. Vi-
 dimus enim eos miserabiliter in forum trahi et saepius
 clamantes: mater mi! mater mi! cum cruentus carnifex
 ambos seu procellos sub ascella interficeret cultello. Rif-
 fugerunt omnes sua pectora percipientes, ne videant car-
 nificem hanc crudele facinus operantem. Ceteri vero, qui
 superstites fuerunt ex gente illa, delituerunt fuga; alii in
 Poloniam, alii fugentes in Pannoniam, de quorum excidio
 simul et discidio licet ampliam habeamus ad scribendum

Polonorum dux Boleslaus in interiora Bohemiae, singulis a conspectu eius diffugientibus, progressus, aliquot castra et oppida vi capit, et magna parte Bohemiae per-

Quia novitate Swanthopelci Bohemiae dux percussus, Henrico caesare in Hungaria deserto, veritus, ne universa Bohemia in ditionem adversariorum perveniret, ad Bohemiam, Henrico caesare contra Boleslaum Poloniae ducem magnas iras concipiente, remeabat. In cuius maeroris solatium Henricus imperator iureiurando astinxit et obligavit se in duce Poloniae Boleslao et Polonis eam iniuriam quam proximis intulerunt. Revertenti ex Hungarica expeditione Swanthopelcone, et non tam Polonis, quam suis vicariis Waczoni et Thutinae pro vastitate, quae Bohemiae contingerat, irato, Waczoni omnem culpam in Thutinam reiciens, illum astribat, illius vastitatis fuisse autorem et ministrum. Caetera Wrsowic, censis cognatio in Poloniam (oleteri quippe universos

discedente, petitionem de Swanthopeltone duce Bo-

cum interim copias aeque eduxisset, in unius silvae
transitu a ramo arboris fortiter in oculum suum fortu-

nigodowna genealogia jest tylko przypuszczeniem z dokumentu bez
aby (prawdop. r. 1223 - Acta Peruvica I, 276) występują tam: Dzierży
Łoj syn Gawrocha, Grot syn Groła i Kozestan syn Krystyna, jako opie
śnawie Wszeborca i Piotra synów Krystyna Piotrowicza. Dzier
życy, Grot to Ramić, Krystyn Piotrowicz i jego dzieci to także
dzie. Opieką więc kaha obcych kiejnotników było na bardzo bliskim
kolewienictwie upierać się mogła, przypuszczam więc, że chyba żona
Krystyna zmarłego była siostrą jego Gawrocha i Groła.
