MARYA ZELENSKA

On the first of the month of August 1910, I received from you a letter in which you informed me that you had just received the first issue of the "Marya Zelenska" and that you were very pleased with it.

I am glad to hear that you are enjoying the publication and that it is of interest to you.

I have just received the second issue and it is also very interesting and well written.

I hope that you will continue to send me your contributions and that I will be able to publish them in the next issue.

With kindest regards to you and your family, I remain, dear Marya, your devoted friend and admirer.

Your affectionate friend,
